

FALL NWEA TESTING
September 22, 2020 - September 25, 2020

We will begin our Fall NWEA skill test on Tuesday, September 22, 2020. This is required testing for all scholars. The test will be administered onsite for virtual scholars during their grade-level scheduled testing time. Scholars with siblings will be allowed to test on the same day as their younger siblings with advance notification. The tentative testing schedule is listed below, but is subject to change.

Please adhere to the following instructions for virtual student drop-off:

- A mask/face covering must be worn at all times while in the building.
- Upon arrival please remain in your vehicle. All scholars must have their temperature checked before exiting the vehicle and entering the building.
- A parent/guardian must sign-in each scholar and provide a valid contact phone number.
- Only scholars will enter the building.
- Parents may wait in their vehicles in the parking lot during testing.
- Scholar drop-off and pick-up will be on the far right side of the building (side cafeteria doors).
- Scholars will need to be dropped-off at least 15 minutes before their scheduled testing time, and picked up immediately after being notified of test completion.
- Parents will be notified via text that the scholar has completed their test and ready for pick-up.
- If a scholar is unable to participate in onsite testing, please notify Mrs. McFadden via email at pecolya.mcfadden@jacksonville.lha.net prior to your scholar scheduled testing date.
